## 25th Anniversary Prefix Award

Presented by  
The International Morse Preservation Society

This certifies that Amateur Radio Station

**G 4 M L W**  
**IAN JONES**

has supplied logbook evidence of using Morse code to work 25 different amateur radio prefixes in each of the ten call number areas (zero-nine) for a total of 250 contacts. All contacts having been completed during the year 2012.

Issued: February 28, 2012

### **FISTS CW Club Key Logo Patch!**

An embroidered cloth patch of our FISTS CW Club Key Logo. The patch can be ironed or sewn on. ( \$1.00 which includes postage.)

## **The K7QO Code Course and K7QO Upgrade Project!**

Thanks to K7QO's generosity, FISTS has the distribution rights to the famous K7QO Code Course (Farnsworth method) on CD in mp3 format. When you complete the program by practicing two or three times a day for 10 minutes each session, you will soon be on the air at a comfortable conversational speed.

Since it starts at a speed of about 10 wpm and is plain text, it is not for beginners. However, it is excellent practice for those who know the code and want to upgrade their skills. It is also a good refresher course in electronics for those who have been licensed a while. You may be surprised at how much of the General class information you have forgotten!

Both disks are mp3 files, and will not play in a regular CD player. You need a CD-sized mp3 player (available in stores for under \$20) or a computer. They will play in most newer car CD players.

To obtain your copy of the Upgrade Project disk or the Code Course disk, **send \$1 per disk to cover the postage and envelope.** Please include a label with your address, if possible, to FISTS PO Box 47, Hadley MI 48440. Please specify which disk you would like.

You may use Paypal to order supplies. Send the total amount to **fists@tir.com** and put the list of items you would like in the comments box. Be sure your name & address are included. **ALL PRICES INCLUDE POSTAGE. DO NOT ADD POSTAGE TO YOUR TOTAL**

Make checks payable to "**FISTS CW Club**", mailed to Irene Kott WO8E, 44609 N. Bunker Hill, Clinton Twp MI 48039 or Paypal to **fists@tir.com**. Be sure to include a note including the items, the size(s) you want and your mailing address.

# The FISTS CW Club 25th Anniversary Operating Achievement Award

To celebrate the 25th Anniversary of FISTS CW Club (The International Morse Preservation Society), announces three versions of a new operating achievement award will be available starting 0001Z January 1, 2012. Contacts must be made after 0001Z January 1, 2012.

## Version One

Also known as the Perpetual Prefix Award, is a basic open-ended award for working 25 unique prefixes in each of the ten call number zones (zero-nine). Each prefix is one point, regardless of country. The contact must be a valid two-way CW QSO between two licensed amateur radio operators. No relays or repeater contacts allowed. Any type of Morse code device may be used.

For the purpose of this Prefix Award, the call number zone will be the number in the legally assigned call sign, regardless of location. Mobile/portable contacts are permitted, but the call number zone is the one in the call sign, not any modifier used because of location.

For example: K6DF operating from the UK with the call sign K6DF/GM0 will be entered as a "K" prefix in the "6" call zone.

DL4ABC/G5 would be a "DL" prefix in the "4" call zone. V31AN would be prefix "V3" in the "1" call zone.

If you work AB1CD, and count the AB prefix in the "1" call zone, then work them again after they get the vanity call A1CD, you may count them again as an A prefix in the "1" call zone. For this award, the prefix is what counts, not the operator or location.

There is no time limit to earn this basic award and successful applicants working the total of 250 prefixes will receive a Perpetual Prefix Award certificate. Endorsement stickers may be available if there is the need for them at a future date (hence the "perpetual" prefix name - it is non-ending).

## Version Two

Follows the same rules as Version One, with the exception of the completion date. It must be completed by 2359Z December 31, 2012. Successful applicants of this award will earn an FISTS 25th Anniversary Prefix Award certificate.

***For Versions One and Two, contacts may be made with active, lapsed and non-FISTS. At least one of the contacts in each of the call number districts (0-9) must be a FISTS member.***

## Version Three

A plaque will be awarded for those who complete the award as described in Version Two, with the exception of the prefix contacts being only with hams with FISTS numbers. The prefix can be from a FISTS anywhere in the world and working FISTS outside your country is encouraged. The FISTS number should be exchanged on the air.

To give all Chapters an equal playing field for a plaque, Chapter plaques may only be earned by someone belonging to that Chapter. If no one in a Chapter completes the qualifications, a plaque will be awarded to the FISTS member in that Chapter with the highest number of prefixes worked. The number of plaques for each Chapter is still being determined.

Logs must include the complete call sign, time and date of QSO, QTH and first name of the operator worked. Exchanging of RST is encouraged so the contact can be counted toward other awards and contests but it is not necessary to have in the log for these awards. Conversation is also encouraged. "Hit and run" QSOs (except for during scheduled contests, nets, etc.) are perceived as rude and this is a friendly event. Remember, when you've worked a FISTS member, you've worked a friend!

If applying for Version Three (the plaque), the FISTS number of the operator worked must also be included.

It is possible to earn all three versions of the award. The certificates and plaques will not be numbered.

Entry materials must be submitted by January 30, 2013 for Version Two and Three. There is no ending date for Version One (The 250 Prefix Award).

## **There are Two FISTS USA Club Call Certificates**

### **FISTS USA Club Call (KN0WCW) Operator Certificate**

The Operator Certificate will be issued for making a minimum of 10 contacts per day, (FISTS or non-FISTS stations), of scheduled use of the FISTS USA Club Call during the time you are the Control Operator of the call.

Example: If you signed up to use the Club Call for 5 days total, you must make a minimum total of 50 QSOs with the Club Call in order to qualify for the Operator Certificate. These 50 contacts may be spread out over the 5 days in any manner.

Send your paper Club Call log, within 15 days after your last day of operation, to: Karl Zuege, KB1DSB -  
KN0WCW QSL MGR, 2176 Drake Road, Bomoseen, VT 05732  
• (802) 468-5444 (leave message and will spend the dime to call you back) Email: kb1dsb@sover.net

### **FISTS USA Club Call (KN0WCW) Achievement Certificate**

There are two ways to obtain the Achievement Certificate:

1. Contact the FISTS USA Club Call once each month of the calendar year. (Total of 12 QSOs)

Example: You work W2YMX using the Club Call (KN0WCW) in January, you may also work W2YMX using the Club Call again in February, plus other stations in the remaining 10 months. A contact needs to be made with the KN0WCW every month of the year under option #1. Using Option #1, the same station using the Club Call may be worked more than once providing it is in different months.

OR ...

2. Contact 12 different authorized stations using the FISTS USA Club Call during a calendar year. (Total of 12 QSOs)

Example: If work W2YMX, N1PT and KB1DSB while they are using the Club Call in January, you may not work those stations using the Club Call again in any other month during the year if you are going to claim the Achievement Certificate under option #2. Using Option #2, you can only work a station authorized to use the KN0WCW once during the calendar year.

Send your station log claiming the Achievement Certificate to:  
Dennis Franklin, K6DF. 4658 Capitan Drive Fremont, CA 94536-5448

E-Mail logs will be accepted for the Achievement Certificate only at the following e-mail address:  
[fistsawards@gmail.com](mailto:fistsawards@gmail.com) Only Excel, Microsoft Word and Text files are acceptable e-mail logs for the Achievement Award.

This is a roster of Active members. If your call is not on the list, your dues are probably more than five months overdue and you have been moved to the Lapsed member list. If you have recently renewed, it probably crossed in the mail with the printing of this list. If you believe you have been omitted by mistake, please contact Nancy WZ8C at one of the address on the inside front cover.

When you renew, your original number will be moved back to the Active list.

Renewals are free for FISTS 80+ years old and under 18, but you have to let us know you're still interested in FISTS each year.
